Explore a life-changing career opportunity in Germany with IAS College. With only 50 positions open in high-demand industries, our Opportunity Program offers a complete pathway for skilled international professionals looking to start a successful career in Germany. Are you ready to embark on a journey that leads to practical training, a respected qualification, and a future full of potential?

Who we are?

"Welcome to IAS College Germany – Your Gateway to a Global Career"

At IAS College, we are dedicated to preparing international talent for a seamless transition into the German job market. Germany is facing a significant shortage of skilled professionals, and we believe in bridging that gap by empowering driven individuals like you. With comprehensive training, hands-on experience, and cultural immersion, our program provides the skills, support, and network you need to excel in your chosen field. Welcome to a community that values your ambition and supports your success every step of the way.

Why Work in Germany?

"Why Germany Needs You"

Germany is known for its high quality of life, competitive salaries, and strong job market. However, an aging population and growing economy have created a significant need for skilled professionals across various industries. This shortage is especially evident in sectors like healthcare, engineering, logistics, and IT, where talent is in high demand. For international professionals, this creates a unique opportunity to build a rewarding career in a country that values expertise and dedication. Whether you're a recent graduate or an experienced professional, Germany offers a wealth of opportunities for growth and success.

Benefits of Working in Germany:

- ◆ High quality of life: world-class healthcare, education, and infrastructure
- ◆ Job security and benefits: strong labor laws, pension plans, and healthcare
- ◆ International career opportunities: a gateway to the EU job market

How to get a job in Germany?

"German Chance Card Program"

From July 2024, German Government have introduced a new Job Opportunity Card system. This Program has made it easier for foreign job seekers to pursue employment in Germany. To qualify for the Job Opportunity Card, applicants need to accumulate **6 points** based on certain eligibility criteria & or have a **bachelor's degree** in a field experiencing a skill shortage in Germany.

How to achieve the necessary 6 points under the new system:

1

- Under 40 years of age
- Previous stay in Germany for at least six months (excluding tourist stays)

Point

1

- Strong English skills at C1 level
- Alternatively Reasonable German skills at A2 level
- Vocational training or a degree in a field with labor shortages in Germany
- Applying for the Chance Card with a spouse

Point

2

- At least 2 years of professional experience within the last 5 years, following vocational training
- Alternatively, being under 35 years of age German language B1 level

Points

3

- 5 years of recent professional experience in your trained field, along with vocational training
- Alternatively, German language B2 level

Points

4

- Partial recognition of foreign professional qualifications
- Alternatively, permission to practice a regulated profession in Germany (e.g., teacher, nurse, engineer)

Points

POINTS DISTRIBUTION FOR THE CHANCE CARD AT A GLANCE

Meet the requirements to secure your Chance Card

Eligibility Check

“IAS College offers a simple eligibility check to help you determine if you meet the requirements for this program”.

Points-based system: To qualify, candidates must achieve 6 points based on various factors such as age, education, work experience, language skills, and connections to Germany. Upon completing the eligibility check and meeting the required points, you can apply for the Visa to fly to Germany to join our Chance Card Program and begin the journey to your career in Germany.

Pre Visa Process:

Language Training: All candidates will undergo A1 and A2 German language training, conducted online to provide flexibility. This training earns 1 point, which is an essential part of the eligibility process, equipping candidates with the language skills to manage day-to-day situations in Germany. Meanwhile, the approval process for your application is conducted in parallel in Germany to streamline your journey.

Document Verification and Government Approval: IAS College will conduct a thorough review of all candidate documents. Once approved, candidates will receive an admission letter for the 6-month German Chance Card Program, along with government approval from the Ministry. This approval will also earn the required points to start the program in Germany.

With your A2-level language certificate, admission letter, and approval letter in hand, you can visit your local German Embassy or Consulate to apply for the Opportunity Card Visa.
